Business Owner Decision - Defer Onboarding

Document ID: D05 / OWNER-DECISION-2026-11-05 | Supplier: Cedarline Analytics Ltd | Issued: 5 November 2026

FICTIONAL training material. All organisations, statements, evidence and dates in this case are simulated.

1. Review request and analyst recommendation

Supplier: Cedarline Analytics Ltd. Buyer: Northbridge Commerce Ltd. The analyst recommendation is HOLD pending open findings F01-F07, based on the supplied questionnaire and referenced document excerpts.

2. Owner decision - recorded at 09:00 on 5 November 2026

Field	Decision
Decision	DEFERRED - supplier onboarding NOT APPROVED
Risk acceptance	None. No exception or residual risk has been accepted.
Decision owner	Morgan Vale - Procurement Director (fictional)
Reason	Recovery mismatch, contract notice/deletion concerns, missing current test assurance, MFA gaps, and subprocessor discrepancies remain unresolved.
Next review trigger	After supplier provides updated test evidence, corrected responses, an acceptable recovery proposal, and contract/privacy/security review.

3. Sign-off caveat

SIMULATED typed decision: Morgan Vale (fictional). This record models a human-owned negative decision for a developer test case. It is not a legally binding sign-off, real organisation approval, or evidence of Osura product capability.

4. Provenance

Decision event D05 in Analyst_Assessment_Traceability.xlsx / tab 05_DECISION_TRAIL. Analyst review controls Q01-Q14 and findings F01-F07 remain linked to evidence E01-E07.
